### KEY/DEFINITIONS

O = **ONLINE** These courses are conducted fully via web-based instruction and collaboration. Courses may require proctored assessments and may include opportunities for face-to-face orientations, but there will be no other on-campus attendance requirements. Please review the course syllabus for specific information. Students must have access to the Internet on a regular basis. Some classes may require daily access.

PR = **PROCTORED ASSESSMENTS** Online classes may include one or more proctored exams. If your instructor requires a proctored exam, you can test at TCC Testing Centers at no charge. If you are not in the Tulsa area, or you cannot test at a TCC testing center, your instructor can advise you of remote proctor options. Remote proctoring may require a fee.

LK = **LAB KIT REQUIRED** This course requires the purchase of a laboratory kit used to complete assignments at a distance. Please consult syllabus for the contents of the lab kit or information regarding the purchase of the kit.

SS = **SPECIAL SOFTWARE REQUIRED** The course requires additional computer software to complete the class. Please check the syllabus for information regarding the software titles and versions needed to complete this course.

SP = **SELF-PACED** The course work is self-paced. Due dates on assignments and exams may be set as 'target' dates, but no deductions will be made for late assignments or tests. All work is due by the end of the semester.
